Part 2 - Classification Results Report

Student: Md Ikram Tareq

Student ID: 23158587

Classification taxonomy: ISIC Rev. 5, division level

Repositories: QDR and CESSDA

This report summarizes classification results separately by repository and project type. For every available QDA_PROJECT or QD_PROJECT distribution, it provides a vector histogram of primary ISIC Rev. 5 division classes, a ranked top-20 class table, and comments on the findings.

Repository: QDR

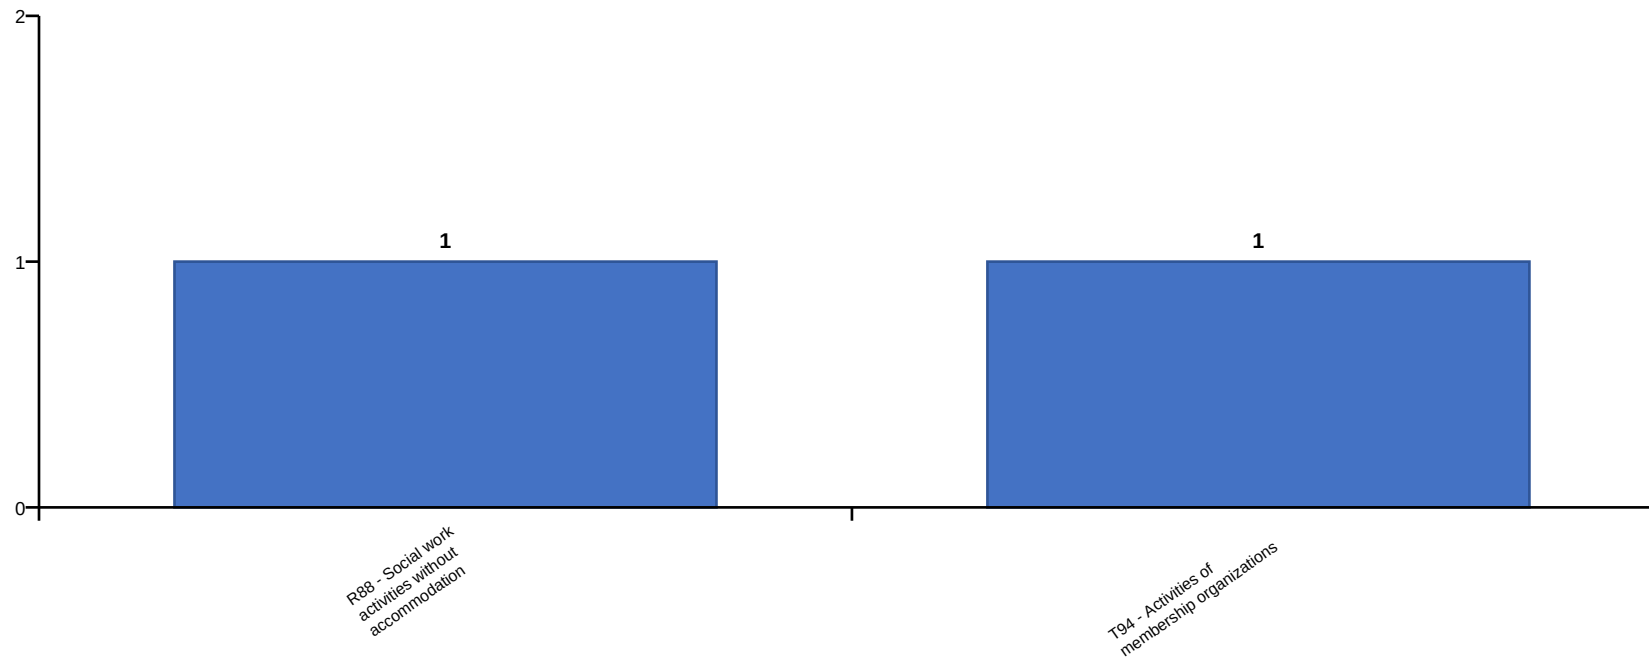

Repository ID: 1

Project-type counts

Project type	Count
QDA_PROJECT	2
QD_PROJECT	14

QDR - QDA_PROJECT classification distribution

This distribution contains 2 classified project(s). The histogram shows project-level primary ISIC Rev. 5 division classes. Full class names are displayed as category labels, and counts appear above the bars.
